Zant's Red Monarch

1948 Zant's BLUE RIBBON DAHLIAS

A seedling of Mrs. Geo. Le Boutillier. Same rich red color, longer stems, grows especially good in heavy soils. The finest all-around Red Dahlia we've grown in our 33 years with the World's Best Dahlias. We grow several thousand each year. Guaranteed to make good in your garden or we will.

GREETINGS FOR 1948

Dear Friends:

We wish to express our sincere thanks for the many orders and your nice letters and cards telling us how pleased you were with the roots we sent you and about your wonderful gardens. I wish I could meet you all in your gardens or better yet in our garden. Than I could show you our Modern Storage Building. It sure keeps roots in wonderful condition, we sold some roots last August that we had missed when planting and they were still in extra good shape. The 1947 season was too hot and dry for the best blooms but the thousands of roots we are holding for your valued orders are our usual quality. The Best you can buy. Try and visit us this season Remember, there are more Dahlias grown in Wayland than any other spot in the world, worth seeing in Bloom. We will continue to make every effort to please you with roots you will be proud to own.

Sincerely yours,

JOHN J. ZANT

UNSOLICITED LETTERS OF APPRECIATION

Dear Sir:

I am enclosing a picture which was taken in Autumn of 1946. During past years I have gotten most of my bulbs and plants from you.

The first week in October I displayed a number of dahlias at our county fair. I had 16 entries, and received 12 firsts and 3 seconds. I attended a number of fairs last year including the Ohio State and Indiana State fairs and I feel safe in saying the display at our fair (The Brown County) was much nicer and competition keener than at any of those which I attended.

I always look forward to receiving your catalogue.

Sincerely,
MRS. JENNIE WATERFIELD

Mr. Zant:

I received my bulbs today. They were in good condition and I'm well pleased with them. I'm wondering if its too late for me to order Kentucky Sportsman.
